

The California Chapter of the National Emergency Number Association

October 10, 2016

Fellow CALNENA Members,

Each year elections are held for CALNENA Executive Board openings. As the Chair of the Nominations Committee, I am responsible for soliciting nominations from the membership for vacancies on the Executive Board. The offices that we are seeking nominations for this year are: 2nd Vice President, Treasurer, and (1) Commercial Vice President. Please note the position of 2nd Vice President will become the President in two years. Attached you will find the nomination form and a sample 'Letter of Agency'. The Letter of Agency is required from candidates in order to confirm their agency or company's support for their commitment and participation. These documents are also available on the website www.CALNENA.org.

The election process includes nominations from the membership which must be submitted via email to Shelby Rhyman at srhyman@co.tulare.ca.us. The deadline for nominations is December 1, 2016. Following the close of nominations, the Nominating Committee will report a final slate of candidates to the membership. The final slate and ballot instructions for electronic voting will be emailed to the membership no later than December 31, 2016. Officers are elected via electronic ballot and prepared in accordance with the CALNENA Bylaws, Article V. The election results will be announced to the membership at the 2017 MCTE.

Best wishes to all candidates!

Sincerely,

Shelby Rhyman, Nominations Committee Chair
CALNENA Immediate Past President
